As per the directions of KVS(HQ) New Delhi, and the sponsorship of NCERT Delhi, a workshop on AEP (Adolescence Education Program) for 'Master Trainers' was organized at ZIET Chandigarh from 4th to 6th Oct 2017, under the able leadership of DC & Director Mrs Piya Thakur, who herself has been the guiding force behind the AEP initiative in the KVS during its startup.

A total of 42 participants, from 07 different KVS regions attended the workshop. This workshop was guided by Dr. Harish Meena (Assistant Professor) NCERT, whose experiences and deliberations on critical issues of adolescence education in schools boosted the participants. The resource persons Mr. S.P. Singh Training Associate Biology and Mrs. Renuka Chawla Training Associate Economics, both from ZIET Chandigarh, maneuvered the workshop by taking sessions, organizing activities & initiating discussions. Mr. Vikas Agarwal (AEP cell) KVS(HQ) Delhi, was the observer during the workshop.

The scheduled 03 days plan of activities, was strictly as per NCERT guidelines, the time slots and the activities to be conducted were as per the material provided by NCERT, clearly mentioning the module no., activity no. & case study no. to be taken and the targeted learning from the activity.

As all the participants were already trained in AEP, so it proved to be more of a refresher course focusing on the practicality of the implementation & the ground realities in the Vidyalaya. The 03rd day was focused monitoring and reporting system. The use of 'aeparc' corner by acquainting the students to the use of website so as to make this an open forum for discussion.

The workshop was guided towards its conclusion with expressions from participants, followed by Dr Harish Meena and finally concluding message from the Director about the role and responsibility that we are bestowed with by training more teachers back in school and making the system run more efficiently.

OBJECTIVES:

The main objectives of the workshop was:

1. To bring the master trainers (AEP) at a common platform to refresh the basic aim & objective of the AEP program.
2. To refresh the content matter (Module / Activity /Case study / Annexures) so that the trained teachers are better equipped.
3. To share individual experiences during the transaction in a class & deliberate on more appropriate transactional method during sessions back in Vidyalaya.
4. To ensure that implementation of the AEP at Vidyalaya level stick to the basic guidelines as highlighted by NCERT & furthered by KVS.
5. To train more teachers & peer educators as a team.

	<ol style="list-style-type: none"> 6. To share relevant cases they handled & solved effectively. 7. To motivate the students to more use of 'aeparc' link & to have open discussions on all the topics. 8. To be able to arrange a role play/ debate/ discussion like activities during the school assembly. 9. To be able to effectively use AEP-MIS (system) 10. To prepare the activity plan for 23 hrs for schools in their clusters.
Expectations from the teachers	<ol style="list-style-type: none"> 1. It is expected that the after the training the teachers will reorganize activities at Vidyalaya level as per the plan of 23 hrs. 2. To disseminate this information within the cluster & organize trainings. 3. To see that activities are more meaningfully organized so as to convey the targeted message clearly to the students. 4. To make AEP-MIS efficient and authentic representation of activities.
