	RESOURCE PERSON (02)		Smt. Anshul Sahu PGT Biology KV Sec. 47 Chandigarh
VII	GIST OF ACTIVITIES OF THE WORKSHOP		
i)	<p>Workshop on 'Integrated Teaching Approach' for teachers from the cadre TGT (Science, Math & So. Science) was organized from 17th to 19th August 2016 at Chandigarh. It was the first of its kind workshop.</p> <p>The aim of this workshop is to look into teaching learning process from the learner's angle. An attempt has been made to dilute the subject boundaries so that the child gets a feeling of continuity in different subjects rather than discrete nature of a subject.</p>	 Sh. J. M. Rawat Director ZIET Chandigarh	
ii)	<p>Sh. J. M. Rawat Director ZIET Chandigarh, presided over the workshop as Course Director. In the Inaugural address, honourable DC Sir highlighted on the need of the hour to have an 'Integrated Approach' keeping in view the 'Child Centered Approach'. His warm greeting and good wishes to all the participants buildup the tempo of the workshop.</p>	 Sh. J. M. Rawat DC & Director	

ii)	<p>It was effectively coordinated at ZIET level by Sh. S.P.Singh (PGT Biology, ZIET faculty). First day started with prayer and paying homage to the almighty GOD. There after Sh. S.P.Singh course coordinator after a brief introduction of all the participants, highlighted the purpose of this workshop and put forward the objectives.</p>	 <p style="text-align: center;">Sh. S. P. Singh</p>
iii)	<p>The resource persons Mr. C. P. Singh (PGT-Geography) KV Dappar, Punjab and Mrs. Anshul Sahu (PGT-Biology) KV, Sec-47, Chandigarh gave their valuable contributions as subject expert. During the workshop skits to demonstrate the need of the hour were presented by participants.</p>	
iv)	<p>A session on 'Inclusive Education' was taken up in full interaction mode by Smt. Sham Chawla (Principal) KV-3 BRD, Chandigarh.</p> <p>She amicably diluted the boundaries of the subjects within the participants from three different streams. She also stressed on the other parameters which create boundaries that should also be considered.</p>	 <p style="text-align: center;">Smt. Sham Chawla Principal KV 3- BRD, Chandigarh</p>
v)	<p>Dr. Hemant Keshwal (Clinical Psychologist) GRIID, Chandigarh specializing in making learning a fruitful experience for low achievers was the guest speaker who interacted on the topic of 'Global learning Designs'.</p>	 <p style="text-align: center;">Dr. Hemant Keshwal Govt.RIID, Chandigarh</p>
vi)	<p>The participants got good opportunity to interact with the guest speaker Mrs. Karuna who stressed on integrated subject approach in class room strategies with practical examples. She also stressed on understanding the adolescence issues & its demands to develop the rapport with the students.</p>	 <p style="text-align: center;">Mrs. Karuna (Counselor)</p>
vii)	<p>During the last day of the three day workshop Mr. N. S. Subramaniyan (PGT math) ZIET Chandigarh faculty interacted on mathematical designs & integration of math with every subject taking a mathematical model on romance based on Romeo & Juliet love, which was liked by all the participants.</p>	 <p style="text-align: center;">Mr. N. S. Subramaniyan (PGT Math) ZIET</p>
viii)	<p>The workshop concluded with a key note address from Course Director honourable DC Sir categorically mentioning that the purpose of the workshop to demonstrate and train the participants from different subjects to see the integration of subjects as an essentiality of the present day education was successfully achieved. He also insisted on to make this a daily activity so that the vision could be effectively made practical.</p>
